

# INSPECTORATE FOR DIVING EQUIPMENT SERVICING & TESTING (IDEST)

The **SITA/IDEST** Committee have agreed fees for re-Inspection, of **IDEST** Stations. These are £450.00 (plus VAT) for the initial applicant and inspection of **ONE** Cylinder Test Technician **plus** £50.00 plus VAT for each additional technician up to a maximum of three and £100 (plus VAT) per year in order for the Test House to be retained on the IDEST Register. On completion of the Inspection, a Test Station will receive a Certificate of Approval for display on the premises. **IDEST** will carry out inspection of up to **TWO** other Cylinder Test Technicians to the standards required by **UKAS**. **THE MAXIMUM NUMBER OF TECHNICIANS PERMITTED TO BE OPERATING AT AN INDIVIDUAL LOCATION IS THREE.**

## APPLICATION FOR INSPECTION

From:.....

Address: .....

Post Code ..... Tel number.....

E-mail ..... Website .....

Name of Technician (s) .....

I/We wish to apply for **INSPECTION**, normally undertaken every three years, to remain as an “**IDEST APPROVED**” Test Station for **BREATHING GAS CYLINDER TESTING**.

I/We understand that it is a condition of application that my/our premises, equipment and facilities will be inspected before approval can be considered. I/We further understand that the application fee is payable in full before the inspection can be carried out and that the fee is not returnable.

I/We enclose my/our cheque for the sum of Four hundred and fifty pounds £450.00 plus VAT (for one technician) made payable to “**IDEST**” for one technician. If my/our application/inspection is successful, I/we agreed to pay the sum of £100.00 plus VAT or whatever fee **IDEST** should set, each year including the first year, to remain on the **IDEST** register.

Signed ..... Date .....

- NOTE – the fee of £450 (plus vat) is for those Test Houses on the UK mainland. Test Houses based elsewhere will be required to meet the full cost of any Inspection/Approval
